CHRISTMAS AROUND THE WORLD

AT THE HOTEL HOVIMA SANTA MARIA

Mrs. Claire had always dreamed of a different kind of Christmas, one that would transport her through Christmas traditions and customs from around the world. And this year, her wish came true thanks to the HOVIMA Santa María Hotel and its "Christmas around the world" theme.

From the moment she stepped into the hotel lobby Claire was enveloped in a festive and welcoming atmosphere. Christmas decorations from different cultures decorated every corner: from the colourful lights of the stars of Bethlehem to traditional Russian wooden ornaments. Christmas music, a mix of carols from different countries, created a magical atmosphere.

On the first day, Claire joined a Christmas biscuit making workshop. She learned how to make biscuits in shapes typical of different countries, such as German stars, Russian snowmen and Finnish reindeer. While kneading the dough and decorating the biscuits, she shared laughs and anecdotes with other guests of different nationalities.

In the evening, the hotel hosted a gala dinner with a special menu featuring Christmas dishes from around the world. Mrs. Claire sampled the chestnut-stuffed turkey typical of the US and UK, roast suckling pig typical of Spain and a delicious Italian Risotto of Lobster and Champagne. Every bite was an explosion of flavours and a new cultural experience.

After dinner, Mrs. Claire enjoyed a great party with live music and dancing in the hotel's Flynn & Flanagan pub. Mrs. Claire joined the other guests to sing carols in different languages and enjoy the company of people from all over the world.

The following days were filled with themed activities. Mrs Claire attended an advent wreath-making workshop, where she learned about Christmas traditions in the Nordic countries. She also participated in a masked ball inspired by the Venice Carnival and a storytelling evening with Christmas stories from different cultures.

One of the most unforgettable experiences was the visit to the hotel's charity Christmas market. There, Mrs. Claire was able to find local handicrafts, typical sweets and unique gifts. She took home a souvenir from each country represented at the market.

At the end of her holidays, Mrs. Claire felt refreshed and full of joy. She had experienced a magical and unique Christmas, full of new experiences and friendships. The HOVIMA Santa Maria Hotel had become her home away from home, and the "Christmas around the world" theme had exceeded all her expectations.

Back home, Mrs. Claire couldn't wait to share her adventures with her friends and family. And every time she looked at the Christmas decorations she had bought at the market, she fondly remembered her unforgettable experience at the HOVIMA Santa Maria Hotel.
